LinHES - Bug # 1026: Apple Trailers are now https no longer http

Status:	Closed	**Priority:**	High
Author:	girkers	**Category:**	
Created:	09/03/2018	**Assignee:**	
Updated:	09/05/2018	**Due date:**	
Description:	My Apple Trailers stopped working and I found that http is no longer valid. When you run it from a command line you get: Unsupported http 301 redirect to https protocol When you change the protocol from http to https it works fine.
