LinHES - Bug # 326: pacman -Syu failing to update

Status:	Closed	Priority: Normal
Author:	tweak	Category:
Created:	04/14/2009	Assignee:
Updated:	04/14/2009	Due date:
Description:	My functioning install stopped updating so I did a clean from CD install and I'm getting almost the same error.	
	(59/59) checking for file conflicts	[############################]100%
	error: could not prepare transaction	
	error: failed to commit transaction (conflicting files)	
	fbsplash: /etc/conf.d/fbsplash.bootsteps exist in filesystem	
	Errors occurred, no packages were upgraded.
