

LinHES - Bug # 431: Modify rrd_MythFS.pl for Long Device Names

Status:	Closed	Priority:	Normal
Author:	opel70	Category:	
Created:	07/09/2009	Assignee:	
Updated:	07/10/2009	Due date:	
Description:	Per forum topic http://knoppmyth.net/phpBB2/viewtopic.php?p=122647 , modify the rrd_MythFS.pl script to add the "-P" option to the "df" call to make sure the output is on a single line.

This was an issue in R5.5. The script in the rrd_stats package rrd_usage.pl already uses the -P option on df.
