

## LinHES - Bug # 639: shutdown and restart missing from menu after the R6.02 upgrade.

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	graysky	<b>Category:</b>	
<b>Created:</b>	03/07/2010	<b>Assignee:</b>	
<b>Updated:</b>	03/08/2010	<b>Due date:</b>	
<b>Description:</b>	When I am in the mythfrontend GUI and I hit the M key, I am only presented with two options,  About Cancel  I have no way to shutdown or restart the box any more.

Under mythfrontend general settings. There is an option called "customse exit menu options" this is probably set to auto. Change it to show the options you want.

Thanks for the tip, jams. I can't test it out having rolled back to R6.01 but perhaps someone else will find your comments useful. Probably safe to close the ticket.
