

LinHES - Support # 698: Add wine in repository

Status:	Rejected	Priority:	Low
Author:	dfdario	Category:	
Created:	05/28/2010	Assignee:	
Updated:	06/07/2010	Due date:	
Description:	To grab TV shecdules I use Tvxb which to run needs wine and xvfb. While xvfb is available in current release wine is not hence I need to download it from ArchLinux repository.
