runit-scripts: added mythexpress and remyth  
refs #865  
refs #863

#### 11/05/2012 01:43 pm - jams

supplemental-web: changed the header to include mythexpress and remyth

I hope to add something to catch the error page and wrap them like the rest of the links. However it's considered cross domain because of the port change.
