History

02/04/2013 10:26 am - jams

- Target version changed from 8.0 to 8.1

For now this is something we have to live with IF someone wants to use a splash screen.

If it becomes a problem for lowerend system splash can be turned off under service menu->advanced.

11/21/2013 09:26 am - brfransen

- Target version changed from 8.1 to 8.2

Doesn't look like anything upstream has changed on this. Pushing to R8.2.

04/11/2014 05:48 am - brfransen

- % Done changed from 0 to 100

- Status changed from New to Closed

- Assignee set to brfransen
