

## LinHES - Bug # 995: Kodi in R8.2

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	nicom	<b>Category:</b>	
<b>Created:</b>	04/30/2015	<b>Assignee:</b>	
<b>Updated:</b>	05/06/2015	<b>Due date:</b>	
<b>Description:</b>	After installing Kodi by the Service Menu>Linhes Settings>Programs menu Kodi fails to run from the menu. Typing kodi in a terminal it gives an error that it cannot find libGLU.so.1. <a href="http://forum.linhes.org/posting.php?mode=reply&amp;f=22&amp;t=24172">http://forum.linhes.org/posting.php?mode=reply&amp;f=22&amp;t=24172</a>		

### History
