

LinHES - Bug # 995: Kodi in R8.2

Status:	Closed	Priority:	Normal
Author:	nicom	Category:	
Created:	04/30/2015	Assignee:	
Updated:	05/06/2015	Due date:	
Description:	After installing Kodi by the Service Menu>Linhes Settings>Programs menu Kodi fails to run from the menu. Typing kodi in a terminal it gives an error that it cannot find libGLU.so.1. http://forum.linhes.org/posting.php?mode=reply&f=22&t=24172
